

# CARELINK SUPPORT ASSISTANTS

## 3 posts of 18.66 hours per week

**Grade E £15,725 - £16,830 (pro rata)  
plus additional payment for night standby and call- outs**

The 'Carelink' service is a 24-hour community alarm and mobile warden service to enable elderly, disabled and vulnerable people to live independently in the community.

We are looking for enthusiastic, caring persons to join a committed team providing support services and response to emergency alarm calls throughout the High Peak area. This service operates 24 hours per day, 7 days a week, 365 days per year.

You must have experience in a caring role and be able to cope with stressful situations. This is a challenging yet rewarding role, you must have excellent communication skills and you should also be able to deal with emergencies calmly and confidently.

Posts average 18.66 hours per week worked as day shifts 8.30am-5pm plus 2 night standbys per week where you are required to be at home to respond to emergency calls overnight. Applicants will need to live locally in order to respond to these calls within our set targets.

Appointment is subject to successful enhanced Criminal Record Bureau checks. It is illegal for barred individuals to apply for this post. First Aid and Manger lifting cushion training will be provided. A valid driving licence is a requirement for this role.

We particularly welcome applications from minority ethnic people or those with a disability, who are currently under-represented in the Company.
