

Welcome to High Peak Community Housing

QUALIFIED ELECTRICIAN (£22,292.40 Per Annum)

Our Property Services Team provides a responsive repairs service to approximately 4000 Council owned properties in the High Peak. Initially required for 12 months (with a possibility of being made permanent subject to performance) we require a 17th edition Electrician with a 2391 Test & Inspection qualification to join the team to provide a high quality and efficient electrical installation, repairs and maintenance services for tenanted and empty properties managed by the Company, or other clients as required.

As well as holding the required electrical qualifications, you will have a commitment to working safely and a customer focused attitude to service delivery. You need to be self-motivated, a good organiser, have good communication skills. Applicants must hold a clean driving licence. You will be expected to work throughout the borough, from our offices in New Mills. A vehicle will be provided for this purpose.

To be considered for this post you will also need to be able to do emergency out of hours call out on a rota basis.

For an informal discussion about this post please contact Clive Mitchell, Property Services Manager.

For an application pack ring the Hayley Mills the HR Advisor on 0845 129 8075 x 3804 or download an application form and further details from our website following the link Working for us.
