### **Minor Works**

As the work has been classed as minor works, the job will be ordered and you will receive an appointment card stating the date when the work will be carried out.

The job should be completed within 2 weeks from the date of its issue.

### **Carrying out the work**

We will make sure that your home is left clean and tidy at the end of each day that the works are in progress and also at the end of the job.

### **Once the adaptation is complete**

We will show you how to use any new equipment we have fitted in your home and provide written information including what to do if there is a problem with the adaptation. All rubbish will be removed from your property once the works have been completed.
