Painting Partners

Painting Partners.....

... providing decorating support for vulnerable tenants

Decorating the home is normally the responsibility of our tenants. However, we know that some people are unable to decorate their own home and have no one else who can do it for them.

The Painting Partners scheme has been set up to help these tenants.

Tenants can apply to have one room in their home decorated free of charge. Buxton Volunteer Bureau will carry out the work in partnership with High Peak Community Housing who will pay for the materials.

Who is Eligible?

Tenants will only be accepted onto the scheme if:-

- They have a medical condition which would make it impossible to decorate themselves **OR**
- The tenants age makes it impractical for them to decorate themselves **AND**
- There is no other person resident at the property who could reasonably undertake decoration for them **AND**
- There is no family member living locally who could reasonably undertake decorating for them.

How do apply?

If you need help with decoration of your home please contact your local Neighbourhood Co-ordinator.
